

CAP Directors Report 6-17-2015

Youth Center

The Youth Center averaged 17 students in May. Attendance dropped dramatically due to a very high enrollment in middle school track and warm weather; this is very typical every year. We are looking forward to running some themed camps at the Youth Center beginning June 22.

Seniors

May luncheon had 20 seniors and June had 30 seniors in attendance. We are looking forward to offering luncheons twice a month and a new computer program to seniors beginning in June.

Park

The tennis/basketball court renovation is nearing completion. Within the next two weeks it should be finished. Fencing will be going up soon, followed by painting of the courts. The park operations are in full swing, but numbers are slightly down from last year. It was a cool first two weeks at the park. Pass sales are slightly up, including 18 that have taken advantage of the new online payment option.

Aquatics

Summer school swim lessons begin next week. We have a total of 96 swimmers participating through summer school.

Evening swim lesson began 6/8/15 and we have 85 participants enrolled for the session.

The Deerfield Community Center Day Camp and CAP Day Camp will both be using the pool weekly throughout the summer.

Weekly Usage Report

- 5/8/15-5/14/15 – 263
- 5/15/15-5/21/15 – 248
- 5/22/15-5/28/15 - 243
- 5/29/15-6/4/15 – 194 (closed 5/30/15)

CAP CARE

Day Camp

Week 1 – 30

Week 2 – 37

Day camp began 6/8/15 and will be running 11 weeks throughout the summer. Participants enroll by the week, not by the month like CAP CARE during the school year.

Lesli will be meeting with Gina (YoungStar) on 6/19/15

Food Pantry

The Food Pantry averaged 28 households per week in May. The upper Pantry garden is in, however, something is eating cauliflower, broccoli, and kohlrabies! We have set a live trap but haven't caught any critters yet! Otherwise all of the other vegetables that are planted look good. Nancy put the garden sign up along with food pantry sign up online, and individuals have been signing up to help in garden. So far, the garden is looking really nice!

Nancy is coordinating with CART and the school district on school supplies for the fall. A meeting was held and a list of school supplies that are needed by each class is going to be made available early to so that organizations are able to collect items that are in high demand. With every class having a different list of items, this will be very helpful. The supplies will be handed out on Monday, August 17, along with free clothing in the NMS cafeteria in coordination with the Food Pantry open night.

Nancy attended the CAP all staff training on May 30, and recently took her CPR recertification.

Community Café

The Cambridge State Bank hosted and served 300 at the Community Meal on June 4. The weather was great (even though storms had been forecasted!). The bank hired a DJ and face painting was available for the kids. Everyone had a great time!

Fitness Center

A total of 175 check ins throughout the past 4 weeks. The Fitness Center continues to be utilized by the community even with the nice weather. The Bigger, Faster, Stronger program will also be utilizing the facility during summer school. After school hours (3-5 pm) are discontinued for summer.

Youth Athletics

We have a total of 175 participants in summer baseball and softball.

31 Tiger-Tball

27 Coach Pitch

50 Little League

14 Pony

12 Teener

Softball:

14 U8

14 U10

13 U14

The annual little league tournament will be on Friday and Saturday, June 19 and 20; we are actively recruiting volunteers to help with concessions, field work, grilling, and umpiring.

The Lil Jays Running Club celebrated their practice day with trip to twisted cone for ice cream. The group officially ended with the Janesville Color Run 5K on June 6. A special thanks to Abby Porter and Jolene Ciha for coaching the group.

Blue Jay Conditioning with Johan Kaashagen is scheduled to start this week.

Adult Athletics

Circuit training and AM Boot Camp with Bobbi Jo Schmidt, as well as evening Boot Camp with Johan are scheduled to start this week as well. PiYo is running on Monday nights and mid-days on Friday.

Other Items

The CAP all staff training was held on Saturday, May 30 at the high school. The morning was filled with scenario training, team building, and policies and procedures. The afternoon was team building at its finest with a friendly game of bubble soccer!

Summer is off to a busy start with planning for the Lake Ripley Ride, Cambridge tournaments, and the Triathlon.

New Hires

Devin Bartz and Athena Golfinos have been hired as Fitness Center Attendants.

Respectfully Submitted,
Bridgette Hermanson, CAP Executive Director
