On June 27 the Food Pantry had its' annual inspection by the Community Action Coalition of South Central Wisconsin, Inc. (CAC) to maintain our TEFAP (The Emergency Food Assistance Program) participation. The inspection went well and the inspector, Marcus wrote in an e-mail to Nancy, "Thank you for showing me your wonderful pantry yesterday! Not only was I impressed with the pantry itself, but also the sense of community that exists. It speaks to your pantry, the people who run it, and the community itself."

Nancy attended a Coalition Meeting in June in which a Board member representing the CAC was in presenting. He shared information on up and coming activities and changes within the CAC.

### Community Café

The July Café was sponsored by Willerup Methodist Church. They served chicken dinner to 190 community members. The August Community Café will be hosted by the Cambridge Foundation and will be held at Ripley Park. They will utilize both the North Shelter and Ripley Shelter.
