

CAP Directors Report

June 2018

Adult Athletics

Jazzercise continues to run strong this summer. Jordan is in the planning phase for the fall and will be offering Jazzercise, Pound, Endure Boot Camp, Pilates and Tai Chi.

Adult Enrichment

Julie Woletz, Ladies Day Away instructor had 7 participate in the class in June.

Aquatics

24 individuals renewed or purchased punch passes/memberships in June. This gave us a total of 120 so far for the year. A total of 45 (sets of 5) private lessons have been booked from May – July. This is an outstanding number and we are happy to have such interest in private lessons.

CAP CARE / Day Camp

The first weeks of day camp have gone very well. Each week day camp was at capacity or had just a couple of daily spots open. The new college staff are doing very well and day camp is looking into incorporating a few new volunteers this summer.

Community Café

The Community Cafe was hosted by the United Community Bank. 325 individuals enjoyed a cook out of hamburgers and hot dogs onsite at the United Community Bank.

Food Pantry

The Food Pantry averaged 27 households per week to which included 190 adults and 104 children in the month of June. The Food Pantry side walk project is still underway and waiting to hear from the contractor.

Ripley Park

June was the park's first full month of operations with roughly 3500 patrons visiting. The park did experience six days of poor weather which resulted in low attendance. Operations continue to work on mitigating the flooding down near the beach and Chad also is working on purchasing cameras for the park at the approval from the Cambridge Foundation.

Seniors

On June 13, the Senior Meal was held at the Presbyterian Church of Oakland-Cambridge and 18 seniors enjoyed baked chicken while being entertained by the Promise Band. The second Senior Meal of June was on June 27 at Ripley Park to which Chad Holpfer grilled hamburgers, brats and hot dogs for 18 seniors.

Youth Athletics

In the month of June, all of the baseball and softball teams were in mid season form playing games almost two times a week. Tball and coach pitch programs started at the beginning of June. Mandy Hollis is running the Tball program this summer and has done a great job. On June 16th, CAP hosted the annual Little League Tournament in honor of Mary Hommen. 4 teams were in both age brackets and the day was very successful and full of fun.

Youth Center

The Youth Center wrapped up the school year on Tuesday, June 5 with a build your own sundae bar for all of the participants and served 37 kids. The Youth Center has been ongoing with marketing for the summer FridDAY camp. There has been some interest with families, but all sessions at this point have canceled due to low enrollment.

Youth Enrichment

The summer Art & Play program is going well. Miss Gabby has had 2 classes and the children have had a great time.
