

Design Proposal by:

Kelly Blanchar, Interior Designer, Associate IIDA
Zach Denton, Interior Designer, Associate IIDA

Dream Big|Campaign

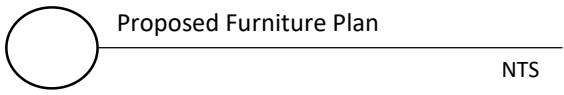

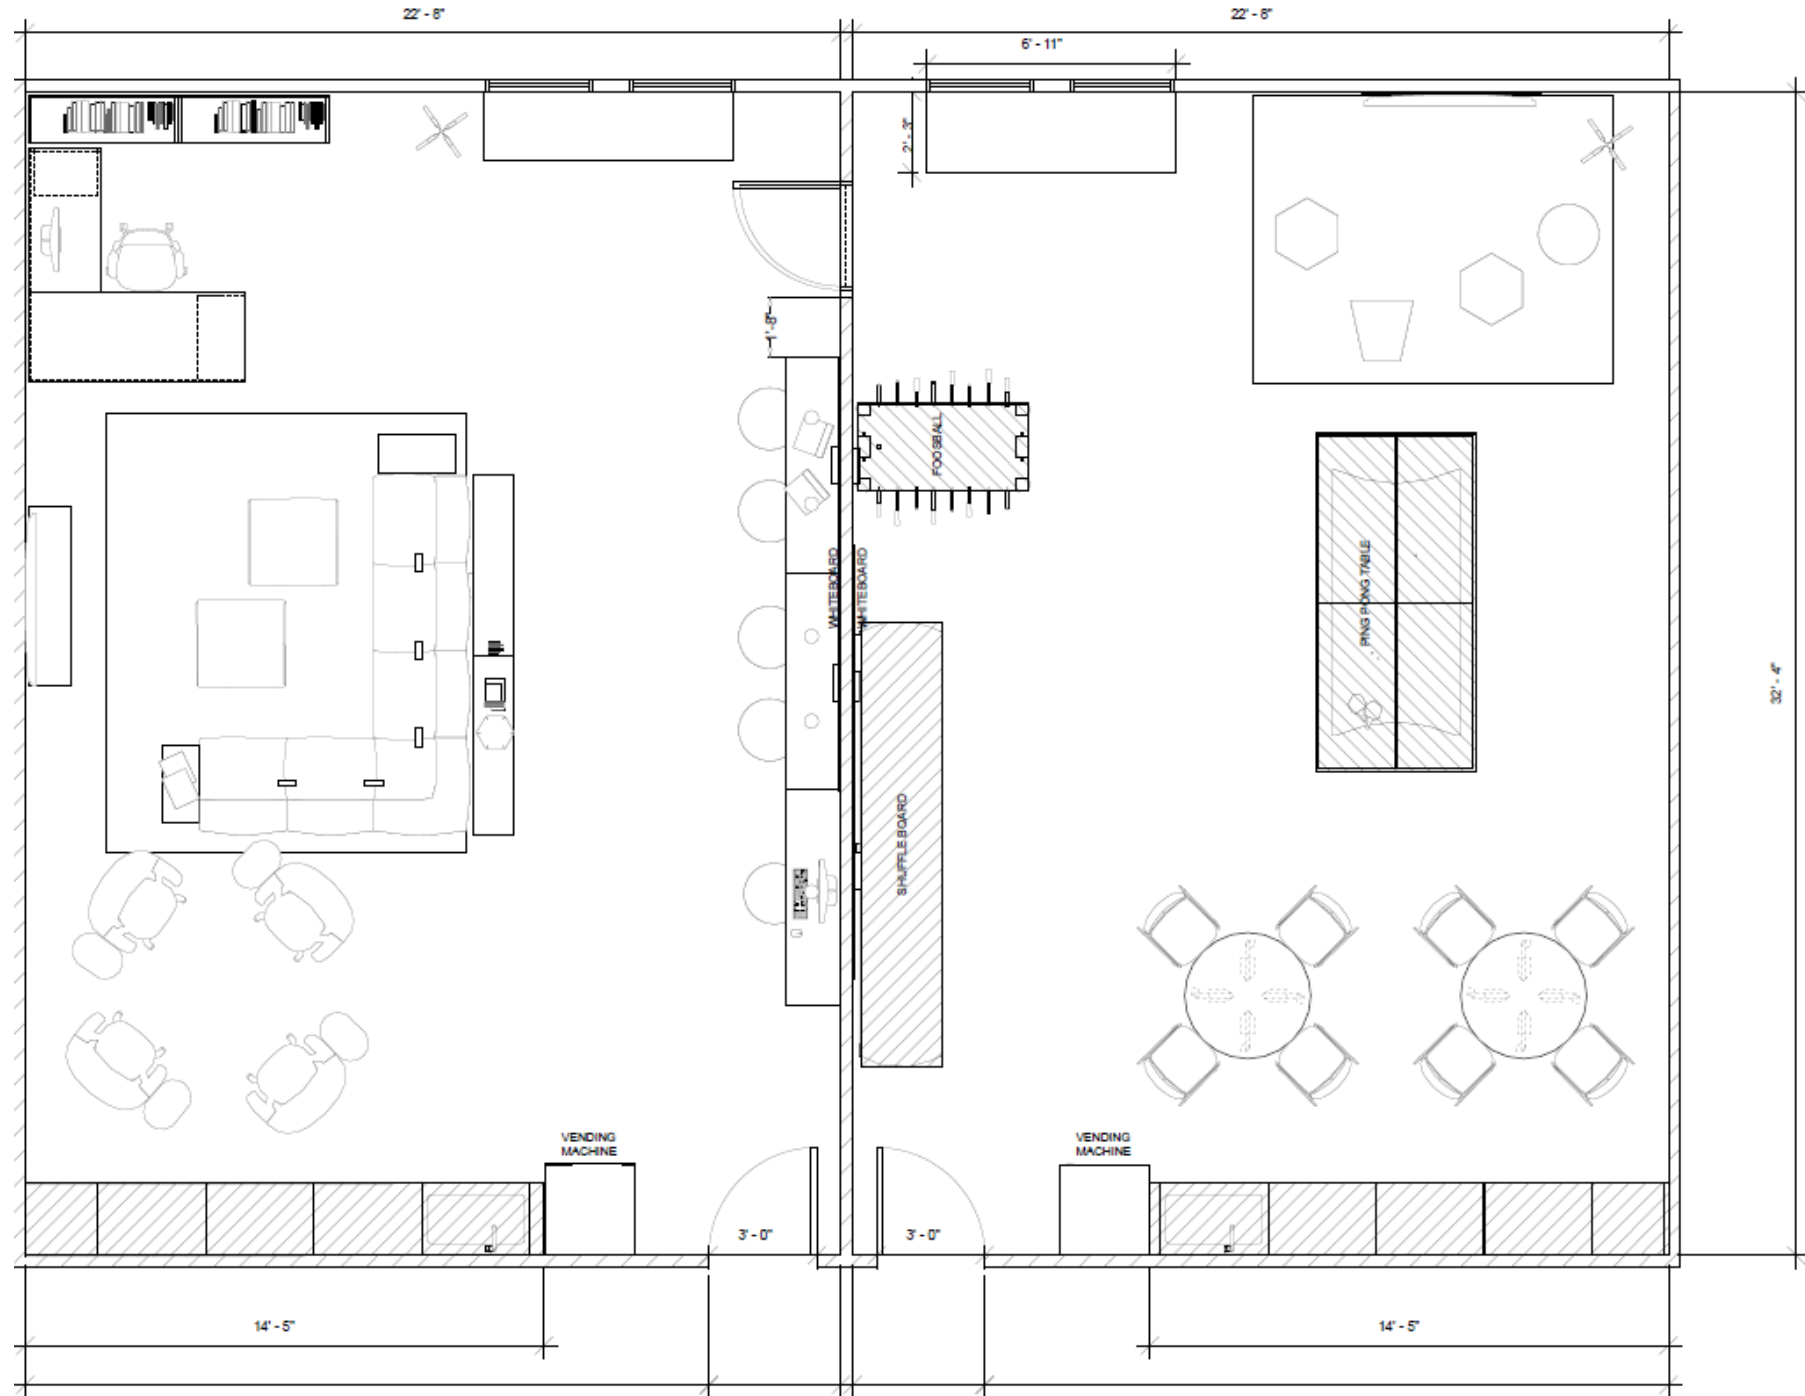

1. Control/Check-in

In this evolutionary process with the help of students, parents, and other stakeholders our goal is to identify needs and trends with today's youth in order to improve services offered. Our outcome is to develop funds that will allow us to improve the Cambridge Area Youth Center to be more functional, collaborative, and inviting for kids in the community today, tomorrow, and beyond.

Our Dreams:

- Increased floor space for activities and collaboration
- New commercial grade modular furniture
- Academic workstations
- Technology upgrades
- Inviting color and paint schemes
- Chad Holpfer, CPRP
- Park, Recreation & Youth Director
