

## **CAP Directors Report**

*August 2018*

### **Adult Athletics**

Jazzercise continued to run strong in August with 311 participants. All fitness classes (Tai Chi, Pilates, Endure Boot Camp) for the fall have enough participants to run.

### **Adult Enrichment**

Julie Woletz, Ladies Day Away instructor had 8 participate in the class in August. Marketing for the upcoming Women's Self Defense class and Stepping On program is underway. Participant numbers are looking good for both.

### **Aquatics**

14 individuals renewed or purchased punch passes/memberships in August. This gave a total of 150 so far for the year. The road construction has continued to be a challenge for pool patrons although we haven't seen a decrease in usage. The fall session of programming begins the week of September 10 and includes swim lessons and masters swim. Blue Fins swim team and Dunkin' for Pumpkins will be soon after.

### **CAP CARE / Day Camp**

Day Camp wrapped up on the 24<sup>th</sup> of August with a trip to Sky Zone instead of Noah's Ark, due to the weather. Staff and families were pleased with how the summer went and are looking forward to the school year.

CAP CARE had a busy night at all school registration with many of the families visiting the table. They were very excited to show the families the new Smartcare software system which will allow families to sign their children in electronically as well as receive information throughout the day about how their children are doing.

Currently there are 64 children enrolled and we were able to take 7 children off the waiting list, which leaves 18 remaining.

### **Community Café**

The Community Cafe was hosted by the Cambridge Foundation and served 280 individuals a delicious meal of sandwiches and side salads. Boulders Climbing Gym brought out their portable climbing wall to which many children enjoyed.

### **Food Pantry**

The Food Pantry served 119 households to which included 208 adults and 111 children in the month of August. Nancy assisted with the planning and implementation for the annual school supply drive which included clothing and footwear. Approximately, 35 households received school supplies and lots of clothing. This event is also supported by the School District, CART, and other area businesses and churches. Lesli has been in contact with Korth Excavating and Concrete in regards to the sidewalk project. Nancy attended the Jefferson Coalition meeting on August 14<sup>th</sup> as well.

### **Ripley Park**

The weather was not cooperative in the month of August which had an impact on visitors at the park. Staff saw 3,268 visitors come through the gates which is considerably less than the previous month. Despite this, the park continued to meet high standards, and prepare for the end of the park season, which

is set to conclude on Tuesday, September 4. Chad is working with the Cambridge Fire Department as they prepare for their community appreciation day down the park on September 8.

### **Seniors**

On August 8, the Senior Meal was held at the Presbyterian Church of Oakland-Cambridge and 18 seniors participated by wearing aprons as the entertainment for the luncheon was about the history and styles of aprons thru the years. The second Senior Meal of August was on August 22 at the NMS where 25 seniors enjoyed meat loaf and watched a preview performance of the CD Players, Lion King.

### **Youth Athletics**

August was a quite month for youth athletics. CAP staff is prepping for the upcoming recreational soccer and flag football seasons. Both programs are looking solid with participant numbers but are lacking in the number of coaches.

### **Youth Center**

The Youth Center has been deep cleaned and is ready for the school year. Chad attended Nikolay Middle School open house and the 6th grade parent meeting to discuss the after school options that CAP and the Youth Center have available.

### **Youth Enrichment**

The summer concluded with the final Art & Play programs ending in August. Miss Gabby had 7 preschoolers in each of the classes in August. Marketing is in full swing for the upcoming Youth Enrichment classes that include STEM for Kids, Parent's Night Out, and Home Alone/Babysitting Safety Training.

### **New Hires**

Snodie, Lynn (Fitness Center)

Weiss, Lily (Aquatics)

Respectfully Submitted,  
Lesli Rumpf, Executive Director
