

CAP Directors Report

August 2019

Adult Athletics

Pilates and Jazzercise continue to run successfully throughout the summer. Marketing for the upcoming pool deck yoga and yoga at the Cambridge Market are underway.

Aquatics

16 members renewed or purchased passes/memberships in the month of August. The pool upgrade project began in late August. Some of the upgrades include a new sand filter, chemical controller, regrouting the interior of the pool, replacement of valves and a variable frequency drive for the pool pump. The summer finished with 86 five packs of private lessons being completed. This means staff instructed nearly 430 private/semi private lessons.

CAP CARE

Day Camp was a success! The last four field trips were to Honey Acres, Waste Water Treatment Plant, Henry Vilas Zoo, and Noah's Ark. Honey Acres had a fun small museum to tour then tastes of the chocolate with honey in the middle that they make on site. At the Waste Water Treatment plant campers had a very interesting tour of the facility with one of our CAP CARE parents.

Unfortunately, due to our wait list we are unable to take 5th grade students after school but encouraged them to attend the Youth Center. Cap Care was able to enroll 7 children off the wait list. This brings the fall enrollment to 67.

Miss Jen completed her Introduction to Child Development Professionals course in August. Miss Meghan is on track to complete hers before December as well.

Cap Care enjoyed having 7 volunteers spend time in our program over the summer. Their volunteer time totaled 108.25 hours!

CAP CARE is celebrating their 10 year anniversary this school year. They would like to invite all to with us on Friday, September 20th from 6-7:30 at CES. This will include an ice cream social, 10 year video, followed by swimming at the pool. Cap Care is currently adding up all the children we've had over the years and will be excited to share those statistics with you at the party!

Community Café

The Community Cafe was hosted by The Cambridge Foundation at Ripley Park in August and served 235 individuals sandwiches, salads and desserts.

Food Pantry

The Food Pantry served 110 households to which included 202 adults and 82 children in the month of August.

Ripley Park

Due to weather and water quality issues, this month was a slow month at the park. In August, the park also hosted the Try Cambridge Tri. This event brought in 205 participants to the park along with many spectators. Unfortunately the weather didn't cooperate that morning and the event ended up being canceled. Jordan has been working with the Cambridge Fire Department in preparation for their Volunteer Appreciation Day down at the park the first Saturday in September.

Seniors

The first meal was on August 14 and served 30 seniors meat loaf, potatoes and desserts while they watched a presentation on Nepal. On August 21, 30 seniors enjoyed pizza, salad and desserts and watched a preview performance of Peter Pan by the CD Players.

Youth Athletics

In the early part of August, we finished up the softball and karate sessions, which brought an end to the 2019 youth athletics summer programs. The month of August was full of organizing and preparing for the start of our fall/winter programs. A successful night at All School Registration helped bring in some great number for the upcoming session that starts in September.

Youth Center

The school year is approaching so the youth center is prepping for the students to return. Jordan is working on new ideas to get the kids involved and excited to come to the youth center.

Youth Enrichment

Art & Play (preschool program) was full for both sessions in August. Planning for First Friend began in August and we are hoping to have at least 10 friends join us in the fall.

Other Information

The Try Cambridge Tri was on Sunday, August 18. Unfortunately, due to the severe weather this event was cancelled. CAP tried to delay the race start as much as possible but it was deemed unsafe to start. Almost all of the participants were very understanding. CAP sent all participants a \$10 coupon code for the 2020 Try Cambridge Tri as a token of our appreciation in their understanding.

New Hires

Agnew, Jeffrey – Youth Athletics

Hosey, Adam – Admin

Quackenboss, Elizabeth – Fitness Center

Respectfully Submitted,

Lesli Rumpf, Executive Director
