

CAP Directors Report

September 2019

Adult Athletics

Pilates and Jazzercise continue to run smoothly throughout the month of September. The school year has brought numbers back up for the fitness center and as we get closer to the cooler days those numbers should keep increasing.

Aquatics

10 members renewed or purchased passes/memberships in the month of September bringing the yearly membership total to 165. The goal is to reach 200 by the end of 2019. The pool was closed for maintenance Aug. 24- Sept. 15. Being closed for 3 weeks really decreased our numbers. However, the 14 days we were open we still brought in over 60% last year's September attendance. Indicating our September 2019 would have exceeded September 2018 numbers had we been open the first two weeks of the month. A Friday Swim 101 class is being offered in an effort to decrease the Swim 101 waiting list and provide a daytime swim lesson option. The Cap Care 4k kids have the opportunity to attend as well.

CAP CARE

September was the first full month of the new school year. CAP CARE is currently celebrating 10 years of operation. On the 20th of September, CAP CARE kicked off the year with a 10 year anniversary celebration. During the celebration, CAP CARE gave a few very important facts about the program over the last 10 years which included the following:

- In 2009, CAP CARE had children come through the doors 4,259 times
- In 2010, that number nearly doubled to 7,984
- CAP CARE has had the pleasure to support over 380 children in the past 10 years, with those children attending CAP CARE 88,825 times.

Mandy Hollis also played a 10 year video at the celebration and invited all families to enjoy ice cream sundaes and a pool party.

Community Café

The Community Cafe was hosted by East Koshkonong Lutheran Church in September and served 243 individuals hot dishes, chicken, corn dogs, salads and desserts.

Food Pantry

The Food Pantry served 128 households to which included 226 adults and 81 children in the month of September. 85 Blue Jay Backpacks were handed out in September as well. Nancy has been working hard with Kristin Gowan in coordinating the opening of Bruiser's Closet which is a food pantry for high school and middle school students.

Ripley Park

The park season came to a completion in September. The focus now is getting things ready for the winter and working on some bigger projects which include staining the concession stand, north shelter, south shelter, and fencing. We are also working on putting seed and soil down where all the trees were taken out before this season. Jordan will be presenting the season summary report to the Cambridge Foundation on October 16.

Seniors

The first meal was on September 11 and served 18 seniors at Ripley Park a lunch of brats, hamburgers,

potato salad and desserts. On September 25, 22 seniors enjoyed chicken tenders, country fried potatoes, salad, and desserts while playing Bingo.

Youth Athletics

In September, CAP kicked off the Soccer and Flag Football programs, and with the help of great volunteers and fantastic weather the programs have been running smoothly. We are now one month away from the start of our Lil' Jays Girls Basketball season!

Youth Center

The Youth Center is back with the start of the new school year. There are many new faces this year and a strong presence from the 5th grade class. We have averaged around 35-40 visitors per day in the month of September. This month's 'DIY' project was making homemade apple pies. We had 23 kids participant and made over 30 pies.

Youth Enrichment

The September Parent's Night Out was full with 14 participants attending. Drum Set Studies and the STEM for Kids programs both began in September as well. Each are running smoothly with solid numbers. First Friends also began in September had has 8 three year olds attending every Tuesday & Thursday.

Other Information

CAP participated in the Cambridge Wellness Collaborative (CWC) Week of Wellness in September which included free fitness classes, Bike/Walk to School, free open swim, and much more. The CWC was proud to have 294 participants attend Bike/Walk to School.

New Hires

Stevens, John – Aquatics

Chen, Lyon – Fitness Center

Respectfully Submitted,

Lesli Rumpf, Executive Director
